Community Resources Director Barbara Bliss stated that in January 2021, City Council authorized the City to use funds to develop a master plan for parks and community resources. Proposals were solicited and 12 were received, then narrowed down to four firms with the proposal from CLS & Associates from Oklahoma City being the winning firm. Ms. Bliss introduced Connie Scothorn with CLS & Associates to present their findings.

Ms. Scothorn presented how CLS & Associates devised the master plan, the process, the findings and the recommendations, which included review of budgets, public private partnerships, additional staffing and divesting of smaller less used park facilities.
