

REPORT TO: SUA

MEETING DATE: JUNE 1, 2020

Agenda Item:	6c. SUA-20-18
Prior Council Action/Related Items: (Hyperlinks Or PDF)	N/A
Background / Issue:	<ul style="list-style-type: none"> • The convenience collection center (CCC) accepts used motor oil for recycling. • Currently, there is no charge to drop off used motor oil, which is collected by Green for Life Environmental. • Green for Life Environmental and other similar companies have begun to charge a fee to collect used motor oil. • The CCC recycles approximately 4,000 gallons of used motor oil a year. • Including the truck dispatch charge and oil collection fee, each gallon cost approximately \$.20 to recycle. • Although the individual charge is insignificant to the Waste Management annual budget, there continues to be costs passed on to the City.
Proposal/Solution:	<p>Upon review, the following options are available:</p> <ul style="list-style-type: none"> • Continue to take the oil for free and budget funds to pay for recycling of used motor oil. • Stop accepting used motor oil at the convenience collection center. • Continue to accept used motor oil and charge \$.20 per gallon.
Financial Impact/Funding Source(s):	If Resolution No. SUA-2020-5 is approved, the collection fee of \$.20 per gallon will cover the costs incurred by the City to recycle used motor oil effective June 1, 2020.
Related Strategic Priority:	#1 Effective Services and Accountable Government: To provide effective services and accountable government for all citizens by practicing fiscal responsibility, transparency and outstanding customer service.

Recommended Action/Motion:	Motion to approve Resolution No. SUA-20- adopting a \$.20 per gallon charge for used motor oil at the convenience collection center.
